"Say It With Flowers"

The language of Flowers speak a REMEMBRANCE that cannot be approached by any other gift. Unlike many gifts, the occasion for Flowers is constant. Fresh Flowers or a beautiful Potted Plant to give cheer to the sick room; a spray of colored Flowers for the living room; Flowers for HER birthday, or the fragrant beauty of the bride's corsage. . . . Whatever the occasion, Flowers will fittingly bespeak your REMEMBRANCE.
